

## **JAM Rota Autumn 2018**

Thanks you again for your support and work in running this group. We will continue to use the SU XStream series which is aimed at 8-11year-olds as our main resource.

In addition to the leaders book there is a copy of Xstream for children. The pages in this are designed to be used one per child per session but as we have a wide variation in numbers of kids and this would be too expensive and wasteful perhaps we can use the ideas for games/recipes etc from these sheets. There is also free access to web resources at [www.scriptureunion.org.uk/light](http://www.scriptureunion.org.uk/light)
