

# JAM Rota Summer 2019

We will continue to use the SU XStream compendium which is aimed at 8-11year-olds as our main resource.

In addition to the leaders section there are photocopiable pages designed to be given out to the children. These take the place of the XStream for children booklets. There is also supposed to be free access to additional resources at [www.scriptureunion.org.uk](http://www.scriptureunion.org.uk)
